EMBRACE THE WORLD

DOVE Mission International (DMI) exists to make the world a better place by training and sending people to assist churches around the world in their mission to serve their communities. Currently, workers are based in Kenya,

the Caribbean, South Africa, and Australia and also serve with the homeless in Philadelphia.

Each year DMI sends scores of young people on short term mission

and service projects. In the last year we assisted in hosting a youth camp in Barbados, in building a youth center in Trinidad and Tobago, and with city beautification projects in Colombia. DMI has drilled wells in rural communities in East Africa, as well as helped economic and environmental development by funding the establishment of tree nurseries.
