How does DOVE Mission International impact the world?

**D**OVE Mission International (DMI) exists to make the world a better place by training and sending people around the world to serve with churches and needy communities. Currently, workers are based in Kenya, Zambia, Germany, the Caribbean, New Zealand, South Africa, North Africa, the Himalayas, Australia, Peru and also serve the homeless in Philadelphia. We send medical teams to places where the needs are great.

In 2019, a prayer team went to India to pray for DOVE's 2020 Challenge, a medical team served in Kenya, and a family mission trip will be held in eastern Africa. Young adults are serving as interns in Scotland and Germany.
