How does DOVE USA Missions impact the world?

DOVE USA Missions exists to make the world a better place by training and sending people around the world to serve with churches and needy communities. Currently, workers serve in eight nations.

In 2025, we are planning further outreaches to Germany, Guatemala, the Philippines, Kenya, and Arizona. Workers are engaged in medical outreaches, planting churches, youth ministry, and training Bible translators.

Thank you for supporting our work through this tournament.
