

DOVE USA Midwest Leaders Gathering

BEING CERTAIN IN UNCERTAINTY

Today's challenging and changing environment can be filled with uncertainty regarding present realities as well as future possibilities. Our rescheduled regional gathering will be focusing on things that we are certain about, which bring stability, courage, point of reference, and hope and vision for the future. We look forward to engaging with the Holy Spirit, envisioning future possibilities, and empowering His people to live life to the fullest through expanding the Kingdom of God!

SCHEDULE

Friday 7:00 pm - ending Saturday 3:30 pm
Kevin Kazemi will be with us Friday night.
