

Attention children's ministry teachers!

The children's offering is a special way to get your class involved in helping their peers in need from a DOVE church in Uganda called DOVE Kampala.

Our goal is to raise \$600 for these three projects at the Sunday school classroom that holds 60 children.

1. Install a ceiling
2. Paint the walls
3. Buy child-sized chairs

Encourage kids to collect coins and bills

Print one label per child in your classroom to take home. Keep a jar in your classroom with a label on it.

If your students and their families *will attend* the missions festival on March 29 in Pennsylvania, encourage them to bring their jars to the event for collection! We will ask all of the children to bring their collection to the front of the auditorium and place it in special collection buckets.

If children and their families *will not attend* the festival, encourage them to bring their collection to Sunday school. The church may write a check to DMI for any money not taken to the missions festival.

DOVE Mission International Children's Offering 2025

Money will be collected at the missions festival on **March 29, 2025**.

Bring your donation to the festival or mail to DMI by April 15 to
11 Toll Gate Road, Lititz, PA 17543

DMI@dcfi.org
